**Using Data to Reduce Chronic Absenteeism**

**Webinar**

*November 1, 2019*

**NYC** Department of Education

---

---

---

---

---

---

---

---

**Welcome!**

The webinar will begin shortly.

As you join, please open the Chat box and let us know you're here! Please tell us your name, district/school, and role.

Thank you.

**NYC** Department of Education

---

---

---

---

---

---

---

---

**Your Presenters**

**Sarah Jonas**  
Executive Director,  
Office of Community Schools at NYCDOE

**Sarah D. Peterson**  
Director of Research and Development,  
Office of Community Schools at NYCDOE

**NYC** Department of Education

---

---

---

---

---

---

---

---

## Objectives

- Review the definition of chronic absenteeism (CA) and its implications for academic achievement
- Discuss the Every Student Succeeds Act (ESSA) guidelines for chronic absenteeism and ways to set CA targets for your school(s)
- Share strategy for using data for continuous improvement to reduce chronic absenteeism
- Learn how to lead a weekly attendance meeting for best results

---

---

---

---

---

---

---

---

## What is Chronic Absenteeism?

*Chronic absenteeism—or missing at least 10 percent of school days in a school year for any reason, excused or unexcused—is a primary cause of low academic achievement and a powerful predictor of those students who may eventually drop out of school.*

Absent 2 days per month  $\times$  9 months of school = **Chronic Absence**

5

---

---

---

---

---

---

---

---

**Chronic Absence Is Easily Masked If We Only Monitor Missing Consecutive days**

September	October	November	December	January
M T W TH F				
		X	X	
X X	X X	X	X	X X
February	March	April	May	June
M T W TH F				
X X	X X	X	X	X X
			X	

**Chronic Absence = 18 days of absence = As Few As 2 days a month**

### Most schools think 90% attendance OK

With 90% attendance for a school at the end of the year:

- The “average” student has missed one full month of school
- Has missed 110 hours of instructional time

NYC Department of Education  
Presenting: Sarah Jonas

---

---

---

---

---

---

---

---

---

---

**Objectives**

- Review the definition of chronic absenteeism (CA) and its implications for academic achievement
- Discuss the Every Student Succeeds Act (ESSA) guidelines for chronic absenteeism and ways to set CA targets for your school(s)
- Share strategy for using data for continuous improvement to reduce chronic absenteeism
- Learn how to lead a weekly attendance meeting for best results

*Presenting: Sarah Peterson*

**ESSA AND CHRONIC ABSENTEEISM TARGETS IN NEW YORK STATE**

- The aspirational goal for New York State is to ensure every school attains a 5% chronic absenteeism.
- By school year 2021-22, New York State expects all schools to reduce the gap between the baseline chronic absenteeism rate (i.e. SY 2016-17 CA rate) and the 5% by 20%.

---

---

---

---

---

---

---

---

Who is Counted?	ESSA Accountability
Grade levels	1-8 and 9-12
Days enrolled	10 or more
Minimum days present	1
What is CA?	<=90% attendance

---

---

---

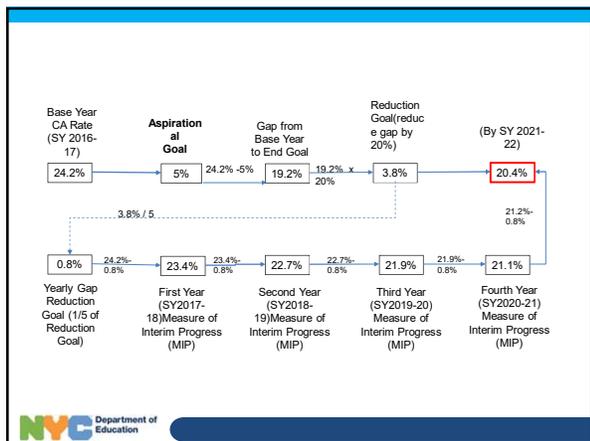

---

---

---

---

---

---

---

- ### Three Beliefs
- 1) Real-time data guides decisions about student needs and the equitable allocation of resources
  - 2) The people and partnerships closest to the issue have the solution
  - 3) The facilitator and a focus on results move groups from talk to action
